Six – Western Bay of Plenty District Council Consultation for Paengaroa

2013 Community Development Plan & 2013 Reserves Management Plan reviews

Membership to this Paengaroa Community Assn is \$10.00. Subscriptions are now due.

What we have achieved...

On the 12 October - Paengaroa Community Association & Paengaroa School PTA had an extremely successful ConArtists Comedy Show and Auction – raising \$7000 for the Paengaroa Community & School Pool Vacuum system.

This was a really successful night on many fronts. The feedback from those who attended commented it was great to have a community event where we could all socialise and catch-up with everyone.

Thanks to all concerned – a special appreciation to those who generously donated their time, expertise and auction items.

We look forward to the next event in 12 – 18 months time. Any ideas please contact John Fowler. In the meantime we plan to continue with quarterly meetings.

Paengaroa Signage

All the funding has been secured – thanks to Amy Fowler. The design has been completed and Rhonda Hewlett has taken the lead in getting this completed. There are intended to be three welcome to Paengaroa signs – watch out for them.

Paengaroa Picnic Table

This has been placed under the trees that the Paengaroa Scouts planted. It is great to see families stopping there for an ice cream or a picnic.

Art Work - Community Buildings

Our next project to get Art work from our competition onto buildings in our community
